

## A Message for Partners & Friends of GEORGIA'S OLD CAPITAL HERITAGE CENTER AT THE DEPOT, INC.

---

Our Partners are the lifeblood of this non-profit organization. You made it possible for a vision by the 2000+ Baldwin Committee in the early 1990s to grow into a Heritage Center in the historic train depot on the campus of the former Central State Hospital. There is work yet to be done before The Depot is ready to open. Your support is the key to making this happen.

Since purchasing The Depot building in 2019, our Board of Trustees has completed an impressive number of projects thanks to YOU and your support:

- *Deconstruction of the interior of the building including removal of asbestos and decades of inappropriate additions;*
- *Surface water remediation and foundation repair on the east exterior wall*
- *Stabilization and restoration of crumbling brick on the north, south, and west exterior walls of The Depot;*
- *The renovation of the loading dock including ADA ramps, new steps at the south end, and a new hand railing;*
- *The completion of the Green Room on the NW corner of the building; and opening at the CSH Museum.*
- *Replacement or renovation of exterior windows and doors and restoration of the decorative barge board in the north gable.*
- *Installation of a complete fire alarm and sprinkler system throughout The Depot.*

**Our current project is the completion of the East Wing to include public restrooms, Meeting and Display rooms.**

As a GOCHC Partner, YOU enable us to do amazing things in renovating The Depot, one of two buildings on the former Central State Hospital listed on the National Register of Historic Places. In addition, you enable us to care for the Brown Stetson Sanford House built in 1825 and located in the Milledgeville Historic District. Your support as a GOCHC Partner matters, and so does your input!

Please read the enclosed Partnership Material. Then fill out and return the Partnership Form you prefer and join other dedicated Members who love to see amazing things happen! We Welcome Volunteers!

Sincerely,  
**The GOCHC Partnership Committee**
